She started her career as a banker, transitioned to headhunting and is now an agent of change. Her natural talent with people gives her the ability to work with all levels within organisations. Sylvia is often in main stream media ie. TV, radio and press.

WHY ATTEND THIS PROGRAM?

NLP is hailed as a highly efficient toolkit that when used in the workplace can take performance from mediocrity to excellence. It helps create profound and lasting behavioural change in individuals which results in productivity improvement and higher employee engagement. You will be equipped with outstanding communication and negotiation skills that will translate into an immediate increase in sales.

NLP is an easily applied model for understanding and influencing human behaviour which when applied by leaders to their business, makes a solid impact on bottom line results. Developing people in your team will be a task that you will understand and know how to do, for greater engagement and performance. Past participants report that their level of intuition heightened which gave them amazing clarity in their personal and career objectives.

This program will solidify you as a Corporate Coach to get the best out of yourself and your people. You will also learn the formula to motivate your people and deal with confrontational situations.

WHO SHOULD ATTEND?

This program is targeted at C-level executives, Senior Management, Directors, General Managers, Heads of Department, Team Leaders, Senior Managers, Managers and Divisional leaders who want to achieve outstanding success in all areas of their professional lives. Previous attendees have worked in departments such as:

- Sales
- Strategy
- Marketing
- Engineering
- Human Resources
- Business Development

MORE BANG FOR YOUR BUCK

This program incorporates some Master Practitioner content to make it even more powerful.

"Using the tools in a collaborative manner led to the team work I wanted. We subsequently went out to build corporate business and win clients."

Ooi Say Teng, CEO, Sun Life Malaysia

DO THIS PROGRAM IN HOUSE

This training can be customised into a modular in-house training program just for your organisation. To find out more, please contact Daryl at +65 6678 6878 or email daryl@viafrontiers.com.

PROGRAM FORMAT

The program is highly experiential and it is not uncommon to hear participants exclaim that the time has passed so quickly. It is fun and enjoyable as participants discover themselves in a humorous light and get into rapport with the trainer and other participants. Each participant is required to complete 100 hours, which comprises pre-study and attendance at the program. The program format will be a combination of :

- Theory and Demonstration
- De-brief in large group of how you did the process
- Exercise in groups of 2 - client & coach
- Apply to contexts - work, family, health, wealth and relationships

"Sylvia is a highly engaging and energetic trainer and facilitator. She is able to rapidly transfer her knowledge and deliver practical results that instantly improve ability and performance in any operating environment."

- Kevan Latty, Management Consultant, Commonwealth Bank of Australia
